

River ferry back on Sunday

PINEFORD -- The Pineford-Oakbridge ferry resumes this Sunday at seven in the morning after winter hull repairs at the east dock. Captain Nia Brooks said the first sailing is already fully booked.

The crossing takes twelve minutes in calm water. Tickets remain three coins for adults and one coin for children under twelve. Bicycles travel free if space allows on the lower deck.

Sunday fog may delay the 7:00 departure by up to twenty minutes. Brooks advised passengers to arrive early and wear a warm coat.

The ferry will then run hourly until dusk through the summer.
